

3 Axis SIE-6090S CNC Engraving Machine for Mould

SAMPLES

3 Axis 6090 CNC Engraving Machine For Mould and Heavy Metal

Specification	Model : SIE-6090S (Heavy Duty CNC Engraving Machine)
XYZ working area	600mm*900mm*150mm
Work-holding	Aluminum T slot
Command	G code*.u00*.mmg*.plt, NCC,TAP,DXF
Reposition Accuracy	±0.05mm
software	Ncstudio
Power(exclude the spindle)	3000W
Power	220v-Single phase
Spindle power	Water cooled 2.2kw spindle with bits cooling system
Spindle Cooling Mode	Water cooling
Spindle rotating speed	0-24000rpm
Inverter	Fulinn
Motor	Stepper motor
Transmission	Ball screw transmission
Guide rail	Square guide rail
Machine size	1140*1400*1540mm
Packing size	1290*1550*1750mm
N.W	400kg
G.W	600kg
